If these clients have already purchased an book from you, ask for his or her opinion when it comes to price. Do that by creating a sales page for the brand new ebook, however do not embody a worth on that page. As an alternative, add a variety of links to survey questions that ask pointed questions to help you in assigning a price to your ebook.

Another strategy is to test out costs by making a number of duplicate sales pages with completely different prices on each page. Make sure your gross sales copy is strictly the similar on each page,

and includes your selling-handle sentence. Then determine for every web page the conversion ratio between guests to your web site and sales of your book. This may tell you what your optimum worth is.
