If these customers have already purchased an book from you, ask for his or her opinion in terms of price. Do that by creating a gross sales page for the brand new book, however do not embody a value on that page. As a substitute, add various links to survey questions that ask pointed questions to help you in assigning a price to your ebook.

each web page, and contains your selling-deal with sentence. Then figure out for every web page the conversion ratio between visitors to your site and sales of your book. It will inform you what your optimum value is.
