If these clients have already purchased an e book from you, ask for his or her opinion in terms of price. Do that by creating a sales web page for the new e-book, however do not include a price on that page. One other technique is to test out prices by creating a variety of duplicate gross sales pages with totally different costs on every page. Be sure your sales copy is precisely the same on every web

page, and contains your selling-deal with sentence. Then determine for every web page the conversion ratio between visitors to your website and gross sales of your book. It will tell you what your optimum worth is.

In the end, in case you've written a e book that solves a downside or presents a new method, your ebook will herald both visitors and profits.
