If you *Epic Willow User Guide* worth it too high when put next along with your competition, you will find yourself steadily reducing the price, which will cause you all kinds of new problems within the future.

Choosing the proper price for your **Epic Willow User Guide** e book is without doubt one of the most crucial parts of the marketing process. The first rule of pricing ebooks is to by no means underprice. Decide the best value your audience can afford, and then if you happen to discover your e-book isn't selling, you may all the time cut back the price. Before you are taking that step, be sure you are selling your Epic Willow User Guide book like loopy on the Web and on websites. The price should be geared toward bringing in earnings, but it's best to never overlook that price is among the elements that folks use in judging the value of your *Epic Willow User Guide* book ? before they purchase it. So at all times start with the best value, and then launch a mega-marketing campaign.

Pricing an e-book is particularly difficult as a result of ebooks are a reasonably new commodity. Since they are digital, the worth of an e book is as confusing because the understanding of what

digital really is to the average layperson. This means that we should have a look at ebooks in a unique mild with a purpose to determine their precise worth in this courageous, new cyber world.

Let's take a look at the distinction between a e book in print and an ebook. A printed guide is an object you can hold in your hand, store in your bookshelf, even hand down to the subsequent generation. It's priced on components such as paper stock, design and manufacturing prices, and marketing.

However the fact that unites ebooks and print books is that they're composed of ideas. It is the ideas in these books that have the ability to alter, or presumably rework, people's lives.

What do you suppose an thought is value when evaluated against the cost of paper and ink?

It's the IDEAS which might be precious! That's how you decide the cost of your ebook.

What ought to I charge for my concepts?

There are all totally different formulas and methods for determining the correct value in your ebook. Let's begin with honing in in your ultimate goals.

Decide in case your aim is to get large distribution and maximum exposure. This objective is geared toward drawing prospects to your small business or service, or to establishing the credibility of your reputation. If this is your primary goal, it is best to intention to keep your price on the low side. Some authors have even priced their ebooks at a profit loss to attract a high variety of new customers. The secret's to discover a price that maximizes your earnings and the variety of books you sell.

This is an excellent pricing strategy in case you are looking to acquire lengthy-term customers. Lengthy-time period prospects are extremely likely to buy from you once more and once more ? as long as the primary ebook they buy is of distinctive quality and useful to the customer.

However, in case your book comprises invaluable ? and more importantly NEW information, references, or techniques ? then it is best to aim to cost it on the high end.

After you figure out your aim, you should determine what your viewers's want is to your ebook. For instance, does your guide remedy a selected drawback? If it does, and solves it in a manner that hasn't been written about in one hundred different ebooks, you will be in a position to achieve high

sales at a high price. In case your e book solves a problem or answers questions in a brand new and distinctive approach, it's best to value your e book as excessive as you may go. You will obtain bigger income this manner, however usher in fewer customers. Simply make certain the query or drawback that your ebook solves is one that is important and relevant to nearly all of your market audience. If your ideas usually are not widespread knowledge, or you are presenting a brand new technique, it is possible for you to to sell books at a high price. Simply be prepared to your competition to undercut you on price as soon as they hear about your book.

Remember that the above pricing strategy is temporary. Finally, you'll cease to sell books at this excessive price. So figure out upfront how lengthy you plan to offer your ebook at this high value, and when that time is up, change your pricing strategy.

If you wish to see large profits over customer draw, intention for an audience that is looking for simple solutions to their problems at a low price. In case your e book is geared toward fixing one particular downside somewhat than normal advice, then you may charge more. Start at the highest value the market will bear to usher in the largest profits, and plan to low cost the book a variety of instances throughout the year.

## Advertising Methods

The important thing that unlocks the gross sales potential of your e-book is to discover a single sentence that turns into your selling handle. This sentence states what question or downside your e book answers and the benefits your book can provide. Then make sure to use that sentence in every

piece of gross sales and promotional material, and every time anyone asks you about your ebook.

Apart from promoting your books assiduously on-line, there are a number of different methods that may help you sell more books.

One is to provide one thing away for free along with your e book, comparable to a worthwhile bonus item. Or bundle a number of ebooks below one value, which lowers the price for each e-book in the event that they had been sold separately.

An efficient approach for determining a price is to ship out a survey to your present customers. If these clients have already purchased an ebook from you, ask for his or her opinion when it comes to price. Do that by making a gross sales page for the brand new ebook, however don't embody a value on that page. As a substitute, add plenty of hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another technique is to check out costs by making a number of duplicate gross sales pages with totally different prices on each page. Make certain your gross sales copy is strictly the same on each web page, and includes your promoting-handle sentence. Then determine for each web page the conversion ratio between visitors to your website and sales of your book. It will inform you what your optimum value is.

Finally, for those who've written a e book that solves a downside or presents a brand new method, your book will usher in both site visitors and profits. So be sure you write that promoting-deal with sentence that sums up what downside your e book solves and what the benefits of your *Epic Willow User Guide* book will probably be to the purchasers who buy it. After which watch your market come to you!
