An effective approach for figuring out a value is to ship out a survey to your present customers. If these customers have already purchased an ebook from you, ask for their opinion in terms of price. Do this by making a gross sales web page for the new e book, however do not include a worth on that page. One other strategy is to check out prices by making a variety of duplicate gross sales pages with different costs on every page. Be certain that your sales copy is strictly the same on each page, and contains your promoting-deal with sentence.
