If these clients have already bought an e-book from you, ask for his or her opinion when it comes to price. Do this by making a gross sales page for the brand new e-book, however do not include a worth on that page. As a substitute, add quite a lot of hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other technique is to test out costs by creating a number of duplicate sales pages with different costs on every page. Be certain your gross sales copy is exactly the same on each web

page, and consists of your selling-deal with sentence. Then work out for each web page the conversion ratio between visitors to your site and sales of your book. This will inform you what your optimum worth is.

In the end, should you've written a e book that solves a problem or presents a new approach, your e book will usher in each site visitors and profits.
