An effective approach for determining a value is to ship out a survey to your present customers. If these prospects have already bought an ebook from you, ask for their opinion in terms of price. Do that by making a sales web page for the new e-book, but don't embrace a price on that page. Instead, add a number of hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Make sure that your sales copy is strictly the similar on each web page, and includes your promoting-handle sentence. Then figure out for every web page the conversion ratio between guests to your website and gross sales of your book. It will inform you what your optimum value is.
