The key that unlocks the sales potential of your book is to find a single sentence that turns into your selling handle. This sentence states what question or downside your guide answers and the advantages your book can provide. Then make sure to use that sentence in every piece of sales and

promotional material, and every time anyone asks you about your ebook.

One other technique is to check out costs by making a number of duplicate gross sales pages with totally different costs on each page. Make sure that your gross sales copy is exactly the same on every page, and contains your selling-handle sentence. Then work out for every web page the conversion ratio between guests to your website and sales of your book. This may inform you what your optimum worth is.
