Begin at the highest worth the market will bear to bring in the largest profits, and plan to discount the e book a variety of times throughout the year.

Another strategy is to test out prices by making a number of duplicate sales pages with totally different prices on every page. Be sure that your sales copy is strictly the similar on each page,

and contains your promoting-deal with sentence. Then determine for each page the conversion ratio between guests to your site and sales of your book. This will inform you what your optimum worth is.
