An effective approach for determining a worth is to ship out a survey to your current customers. If these customers have already purchased an e book from you, ask for his or her opinion in terms of price. Do this by making a sales page for the new e-book, but do not embody a worth on that page. As an alternative, add numerous hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other strategy is to test out costs by creating a number of duplicate gross sales pages with different prices on every page. Be certain your sales copy is exactly the similar on each web page, and includes your selling-deal with sentence. Then work out for every page the conversion ratio between visitors to your website and sales of your book. This will inform you what your optimum worth is.
