If these prospects have already bought an ebook from you, ask for his or her opinion when it comes to price. Do that by making a sales web page for the new e-book, however do not include a value on that page. Instead, add plenty of links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other strategy is to check out prices by creating a variety of duplicate sales pages with different prices on every page. Be sure your gross sales copy is precisely the similar on every page, and includes your selling-handle sentence. Then work out for every web page the conversion ratio between guests to your website and gross sales of your book. It will inform you what your optimum value is.

Ultimately, in the event you've written a guide that solves a drawback or presents a brand new technique, your book will bring in both visitors and profits.
