Advertising Methods

Do that by making a sales page for the brand new e-book, however do not embrace a value on that page. As an alternative, add various hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another technique is to check out prices by creating a number of duplicate gross sales pages with

completely different prices on every page. Make certain your gross sales copy is strictly the same on every web page, and contains your selling-deal with sentence. Then determine for each page the conversion ratio between visitors to your site and gross sales of your book. It will let you know what your optimum price is.

In the end, if you've written a guide that solves a drawback or presents a new approach, your e-book will bring in both visitors and profits.
