If these prospects have already bought an ebook from you, ask for his or her opinion when it comes to price. Do this by making a gross sales web page for the new book, but do not embody a worth on that page. Instead, add a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another strategy is to test out costs by making a variety of duplicate gross sales pages with completely different costs on each page. Ensure your gross sales copy is precisely the same on each

web page, and contains your promoting-deal with sentence. Then determine for every web page the conversion ratio between visitors to your website and sales of your book. This can tell you what your optimum worth is.

Finally, in the event you've written a ebook that solves a downside or presents a new method, your e-book will usher in both site visitors and profits. So be sure you write that selling-handle sentence that sums up what downside your ebook solves and what the advantages of your 1838 e-book might be to the shoppers who buy it.
