If these prospects have already bought an e-book from you, ask for his or her opinion in terms of price. Do that by making a sales page for the new ebook, however do not embrace a price on that page. As an alternative, add numerous hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another technique is to test out costs by creating a variety of duplicate gross sales pages with different prices on every page. Ensure that your gross sales copy is precisely the similar on each web page, and includes your promoting-handle sentence. Then determine for each web page the conversion ratio between guests to your web site and sales of your book. This can let you know what your optimum worth is.

In the end, in the event you've written a e book that solves a problem or presents a brand new method, your guide will bring in each site visitors and profits.
