An effective method for figuring out a value is to ship out a survey to your current customers. Do this by making a gross sales web page for the new e-book, but don't embody a value on that page. Another strategy is to test out prices by making a variety of duplicate gross sales pages with completely different costs on every page. Ensure your gross sales copy is precisely the identical on

each page, and contains your selling-deal with sentence. Then determine for each page the conversion ratio between guests to your web site and gross sales of your book. This may inform you what your optimum value is.
