the benefits your ebook can provide. Then be sure you use that sentence in each piece of sales and promotional material, and each time anyone asks you about your ebook.

An effective method for figuring out a worth is to ship out a survey to your present customers. If these clients have already purchased an e-book from you, ask for his or her opinion by way of price. Do that by creating a gross sales web page for the new e book, but do not include a price on that page. As an alternative, add a number of links to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

One other technique is to check out costs by creating a number of duplicate sales pages with different prices on every page. Be sure that your sales copy is strictly the same on each web page, and includes your promoting-deal with sentence. Then work out for every web page the conversion ratio between visitors to your web site and gross sales of your book. This can let you know what your optimum price is.

Finally, for those who've written a e book that solves a problem or presents a new method, your e book will herald both visitors and profits. So make sure to write that selling-handle sentence that sums up what problem your ebook solves and what the advantages of your 20 book can be to the purchasers who buy it.
