An efficient method for figuring out a value is to send out a survey to your current customers. If these prospects have already bought an e-book from you, ask for their opinion by way of price. Do that by creating a sales page for the new ebook, but don't embody a price on that page. web page, and includes your selling-deal with sentence. Then work out for each page the conversion ratio between guests to your web site and gross sales of your book. This can inform you what your optimum worth is.

Finally, in the event you've written a book that solves a downside or presents a brand new approach, your e-book will usher in each traffic and profits.
