sales and promotional material, and every time anybody asks you about your ebook.

One is to give something away free of charge with your ebook, corresponding to a invaluable bonus item. Or bundle a number of ebooks underneath one value, which lowers the worth for every e-book if they have been bought separately.

An effective technique for determining a price is to ship out a survey to your present customers. If these clients have already purchased an e-book from you, ask for his or her opinion by way of price. Do this by creating a sales web page for the new e-book, however don't embody a value on that page. As a substitute, add a number of links to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other strategy is to test out costs by making a variety of duplicate gross sales pages with different costs on every page. Make certain your gross sales copy is exactly the similar on each page, and consists of your promoting-deal with sentence. Then determine for each web page the conversion ratio between visitors to your website and gross sales of your book. This may let you know what your optimum value is.
