An efficient approach for figuring out a value is to send out a survey to your present customers. If these customers have already purchased an e-book from you, ask for his or her opinion in terms of

price. Do that by creating a gross sales page for the brand new book, but do not embrace a value on that page. As an alternative, add a variety of links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Be sure that your gross sales copy is exactly the same on each page, and consists of your selling-deal with sentence. Then figure out for every web page the conversion ratio between visitors to your website and sales of your book. This will tell you what your optimum price is.

Finally, when you've written a e book that solves a problem or presents a new approach, your e-book will bring in each visitors and profits.
