Do that by creating a gross sales web page for the brand new guide, however do not embody a worth on that page. Instead, add plenty of links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another strategy is to test out costs by creating a variety of duplicate gross sales pages with completely different prices on each page. Be certain that your sales copy is exactly the same on each web page, and includes your selling-deal with sentence. Then work out for each web page the conversion ratio between visitors to your site and sales of your book. This will let you know what your optimum price is.

In the end, in the event you've written a guide that solves a problem or presents a new method, your e-book will herald each traffic and profits.
