If these customers have already purchased an ebook from you, ask for his or her opinion by way of price. Do that by creating a sales page for the new ebook, however do not embrace a value on that page. Instead, add quite a lot of links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another technique is to check out prices by making a number of duplicate gross sales pages with totally different costs on each page. Be sure that your sales copy is precisely the same on each web

page, and consists of your selling-handle sentence. Then figure out for every web page the conversion ratio between visitors to your web site and sales of your book. This can inform you what your optimum value is.

In the end, in case you've written a guide that solves a drawback or presents a new method, your guide will usher in each visitors and profits.
