As a substitute, add various links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other technique is to test out prices by creating a variety of duplicate sales pages with totally different costs on each page. Ensure that your sales copy is precisely the same on every

page, and includes your promoting-deal with sentence. Then work out for every page the conversion ratio between guests to your site and gross sales of your book. This may let you know what your optimum price is.

In the end, when you've written a e book that solves a problem or presents a new technique, your guide will herald both site visitors and profits.
