The key that unlocks the sales potential of your ebook is to find a single sentence that turns into your selling handle. This sentence states what question or downside your guide solutions and the advantages your ebook can provide. Then you should definitely use that sentence in each piece of

sales and promotional material, and each time anybody asks you about your ebook.

Another strategy is to test out costs by making a number of duplicate gross sales pages with completely different costs on each page. Be certain that your sales copy is exactly the same on each page, and consists of your selling-handle sentence. Then work out for each page the conversion ratio between visitors to your site and gross sales of your book. This will tell you what your optimum value is.

Finally, in the event you've written a e book that solves a drawback or presents a new technique, your ebook will bring in each traffic and profits.
