If these prospects have already purchased an ebook from you, ask for his or her opinion when it comes to price. Do this by creating a sales page for the new guide, but do not embrace a value on that page. As a substitute, add numerous hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another technique is to check out costs by creating a number of duplicate gross sales pages with different costs on each page. Ensure your gross sales copy is precisely the identical on each web

page, and consists of your selling-handle sentence. Then work out for every web page the conversion ratio between guests to your web site and sales of your book. It will inform you what your optimum price is.

Ultimately, in case you've written a guide that solves a problem or presents a new approach, your e-book will herald each traffic and profits. So make sure to write that selling-handle sentence that sums up what downside your guide solves and what the advantages of your 705 book might be to the shoppers who purchase it.
