Do this by making a gross sales page for the new e-book, however don't include a value on that page. As a substitute, add plenty of hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

Another strategy is to check out costs by making a variety of duplicate gross sales pages with completely different prices on every page. Be certain your gross sales copy is precisely the similar on every web page, and includes your selling-handle sentence. Then work out for every web page the conversion ratio between visitors to your website and gross sales of your book. This will tell you what your optimum worth is.

Finally, if you happen to've written a book that solves a drawback or presents a brand new approach, your e book will usher in both visitors and profits.
