An efficient method for determining a value is to ship out a survey to your current customers. If these prospects have already bought an book from you, ask for their opinion in terms of price. Do that by creating a sales page for the new guide, however don't include a value on that page. As a substitute, add numerous links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another technique is to check out costs by creating a variety of duplicate gross sales pages with different prices on each page. Be certain that your gross sales copy is strictly the same on each web page, and includes your promoting-deal with sentence. Then figure out for every web page the conversion ratio between guests to your web site and gross sales of your book. This may inform you what your optimum worth is.

In the end, for those who've written a e book that solves a problem or presents a new technique, your guide will usher in each site visitors and profits.
