Do this by creating a gross sales page for the brand new e-book, however don't embrace a price on that page. Instead, add numerous links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other technique is to test out prices by making a number of duplicate gross sales pages with completely different costs on every page. Be certain that your gross sales copy is exactly the similar on every page, and consists of your selling-deal with sentence. Then work out for every page the conversion ratio between guests to your web site and gross sales of your book. This can inform you what your optimum worth is.

Ultimately, when you've written a book that solves a drawback or presents a brand new approach, your e book will bring in both traffic and profits.
